EZaccessMD®

FREE CARE FOR YOU AND YOUR FAMILY

Start with a call. We come to you.

Tell us your symptoms. A licensed, board-certified physician calls you back within the hour and sends any prescription to your pharmacy. If you need a test or an exam, a medical technician comes to your home, typically within a few hours.

By phone

855-687-3963

24/7/365. A real person answers, no phone tree.

By app

What we bring to your door

X-rays and ultrasounds
Read by a radiologist

EKGs
Right in your living room

Rapid tests
Strep, flu, COVID, and urine

E-prescriptions
Sent to your pharmacy

How a visit works

1. **Call or tap**
   Tell us your symptoms.
2. **A doctor calls you back**
   Within the hour, with a plan.
3. **We come to you if needed**
   Tests and exams at home.

Save on prescriptions with GoodRx

Show a GoodRx coupon at your pharmacy to lower the price of most prescriptions. Your care coordinator can help you find one.

GoodRx

Not for emergencies. Call 911 for chest pain, trouble breathing, severe bleeding, or any life-threatening emergency.

EZaccessMD is not health insurance. It is a benefit your employer provides for easy access to care.
