EZaccessMD®

YOUR HEALTH BENEFIT • PROVIDED BY YOUR EMPLOYER

Care that comes to you.

Talk to a licensed physician 24/7 by phone or app. If you need a test or an exam, a medical technician brings it to your home, typically within a few hours. Every call and every visit costs you $0.

1 Call or open the app

24/7/365. A real person answers and takes your symptoms. No phone tree, no chatbot.

2 Talk to a doctor

A licensed, board-certified physician calls you back within the hour and sends any prescription to your pharmacy.

3 We come to you if you need more

Rapid tests, X-rays, ultrasounds, and EKGs at your home, typically within a few hours.

Scan to get set up

Five minutes: watch how it works, get the app, save our number, and see when to call.

When to call us.

Call us first for anything you would normally take to urgent care or your doctor's office. Not sure? Call anyway. The doctor will tell you the right next step.

EVERYDAY ILLNESS

- Cold and flu
- Sinus infections
- Pink eye
- Allergies and mild reactions
- Vomiting
- Strep throat
- Ear infections
- UTIs
- Asthma and respiratory symptoms
- Diarrhea

INJURIES

- Sprains and possible broken bones
- Cuts, burns, and bites

An EZaccessMD medical technician takes an X-ray in a member's living room. No waiting room, no drive.
